

How to Create a Peer-to-Peer Fundraising Page for your Pickleball Team

1. On the [2023 Pickle Smash homepage](#), click "Start Fundraising"

2. Create an account and begin your fundraising page set-up.
 - This page can represent you as an individual fundraiser or you may use it for all of your team members to raise funds.
 - You can adjust the first and last name of your account to reflect your team name if your entire team would like to fundraise. You can do this when you create your account or at a later time in 'Settings' by clicking your name at the top right corner.

3. You will then see your new fundraising page. To edit your page, click the "Edit your page" button at the top left. You can upload photos, edit your fundraising goal, and add a story to your page.
